

How to Find Us

The Dominion Centre isn't signposted so we can be very hard to find without directions.

From Ringwood Road

If you're coming from Ringwood Road side (near Lidl's) approach Elliot Road and turn right at the junction. Follow the bend round and you should see "Gibbs and Dandy" merchants on the left hand side. After passing Gibbs and Dandy turn right into the estate which is "The Dominion Centre".

From Turbary Park Ave

If you're coming from Turbary Park Avenue turn into Elliot Road and head uphill until you get to the junction. Turn right at the junction and follow the bend round to the left, you will pass the junction on the right but head straight and follow another bend round to the left. You should now see "Gibbs and Dandy" merchants on the left hand side. After passing Gibbs and Dandy turn right into the estate which is "The Dominion Centre".

We are in the middle unit (Unit 2). There is a sign above our front door which says "Country Fare" and you should also see a Smart Team sign next to the door. Park in any free spaces with the number 2. If there aren't any free spaces then park in front of our front door.
